### OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 1 September 1971

1. [ ] Talked to Mrs. Harriet Van Duyne, 25X1  
 Personal Secretary to Representative Florence Dwyer (R., N.J.), in response  
 to Mrs. Van Duyne's call of yesterday concerning [ ] 25X1  
 and told her that I was unable to identify the individual from the information  
 provided. [ ] 25X1

2. [ ] Received a call from Mr. Bernard Poirier, 25X1  
 Special Assistant to Senator Mike Gravel (D., Alaska), who told me he had been  
 out of the city on vacation and during his absence he had received a call from  
 [ ] but did not have a proper number to respond to the call. I told 25X1  
 him I would try to contact [ ] and have him call. [ ] will 25X1  
 return the call and pass off the earlier call to Mr. Poirier on a social note.  
 See Journal items of 19 and 24 August 1971.

3. [ ] Called Bill Woodruff, Counsel, Senate Appropriations 25X1  
 Committee, regarding delivery of a letter to Chairman Ellender concerning the  
 withdrawal from Reserves on a sensitive project. Woodruff said Ellender  
 would not be back in town until the middle of next week so there was no hurry.  
 I reminded him in general terms of the project and he said that the only question  
 that had come up when he briefed Ellender earlier was "the number of bodies  
 involved." I said I would check on this and let him know.

I asked Woodruff about the prospects for early action on certain bills of  
 interest to the Agency, such as the Cooper and Symington bills. He said that  
 both of these might come up as soon as the Draft bill was out of the way,  
 probably later in September.
